I believe that EPA got hundreds of comments. I will check with Doug Aburano and see where we are on the timeline.

Sorry, LeAnn, for not getting back to you. We are looking into it. Your voice-mail implied it was soon, but I hadn't heard that. Again, John and I are investigating.

Rett –

Do you have an estimate of when EPA will move forward with the SIP correction?

Hi Rett –

It looks like EPA has received 175 comments to date but only 4 are currently available on regs.gov. Do you know if they others will be posted before the close of the public comment period on Friday?

Thanks,  
LeAnn

Dear LeAnn:

Attached please find the Federal Register notice extending the comment period.

There were three requests to extend the comment period from:

1. David Altman on behalf of individuals, former regulators, and a consortium of environmental and health organizations from throughout Ohio.
2. Anonymous request.
3. Communities United For Action (CUFA) - Clark Beck, Board President; Mary Metzmeir, Executive Director.

The comment period is extended to May 22, 2020. The previously submitted comments/extension requests are now available to view in the docket on regulations.gov. Please let me (or the contact identified in the Federal Register notice) know if you still can't see them. Thanks.

LeAnn-

Thank you for your call yesterday.

I do expect the public comment period to be extended. The extension notice should be published in the Federal Register tomorrow. Comments would then be due by 05/22/2020. I'm still checking on the ability to see other commenters' comments in the docket. Thanks.
